Profile

I'm a hardworking, enthusiastic, and motivated person with a passion for art and animation. I have the confidence for a team environment and enjoy working alongside and motivating others. I was a 4th Year Honours Graduate from TUS Clonmel who studied the fundamentals of 2D Animation. In this field, I have a particular interest in character and prop animation.

Skills

- 3 years of proficient experience with **ToonBoom Harmony** and **Adobe Animate**
- Strong understanding of **Hand Drawn Animation**, **2D Rigged Animation** and **Drawing Principles**
- Previous experience with **Adobe After Effects**, **Photoshop** and **Premiere Pro**
- Enjoys working alongside others and taking on new challenges
- Can learn new software for work (Adobe Animate, After Effects)
- Good communication and time management skills

Animation Work History

- **Freelance Animator for Keyan Carlile** **January 2023 – October 2025**
Worked on a variety of animated shorts, including Combaticons and ParaNotNormal as both a 2D animator and 2D rigging artist. Taught me how to use Adobe Animate.
- **Politécnico de Leiria – Animation Generalist** **May - July 2022**
Undertook the task of designing, animating and compositing an advertisement for ESAD's theatre course in Portugal. Taught me how to use Adobe After Effects, Photoshop and how to adapt to new environments.

Education

- **Technological University of the Shannon Clonmel** **September 2019 – May 2023**
Where I learned the main fundamentals of animation and design.
- **Boulder Media Bootcamp** **October 2023**
2-week course that allowed me to adjust to a studio space and helped me better understand 2D rigging and ToonBoom Harmony.
